

# Proposals/Engagements at Gramercy Mansion

Are you interested in popping the big question to your significant other, but haven't figured out all the details yet? We are happy to help! We have beautiful grounds and indoor private spaces that are perfect for asking your special someone to marry you!

Reservation is **\$500** to secure and includes 1 hour of private rental space, 30 minutes for set up and 30 minutes for clean-up. May reserve two weeks or less prior to the date only.

We supply the venue and gardens, you are responsible for the rest. No decorations are included, however, you are welcome to bring anything you would like.

We have suggestions for photographers if you would like to reserve a professional to capture the special moment!
